

Academic Hire Terms & Conditions

- Orders will not be processed without full payment of the hire fee and deposit
- It is NOT a good idea to leave things to chance and hope there will be something available on the day as there may be nothing left in your size or to the specification you need.
- Should you wish to cancel up to 10 days before graduation a full refund is available. Any later than that and you receive the deposit fee only and forfeit the hire fee.
- Hired academic dress should be returned by 3pm on Graduation Day, otherwise the deposit is forfeited. After 72 hours it will be assumed the items have been stolen and appropriate action will be taken.
- The best procedure is to first register at the registration tent. That then leaves you plenty of time to proceed to the Weston Common Room (Building C15) to collect your robes. The Weston Common Room, located in the courtyard between Madgwick and Lazenby Halls, opens at 8am on Graduation Day.
